

Title: Automotive Detailing

Code: 4708

Credits: 38

Duration: 570 hours

Training sector: Motorized Equipment Maintenance (10)

Certification of studies: Skills Training Certificate (STC) (awarded exclusively by the educational organizations)

Authorized in: 2004

Mandated school service centre or school board: Marguerite-Bourgeoys

Participating school service centres or school boards: des Premières-Seigneuries, des Rives-du-Saguenay, de la Rivière-du-Nord

Occupation: Automotive Detailing Technician

Program of study objectives: Automotive detailing technicians perform a variety of cleaning and restoration tasks on a vehicle, both inside and out, in order to restore it to its original condition or improve its appearance. This may entail thoroughly inspecting a vehicle, maintaining certain components, maintaining and dressing accessories, maintaining the engine bay and trunk, installing anti-theft devices, cleaning the interior and exterior of a vehicle, removing stains and dyeing fabric and leather, applying preventive protectants, sealing and polishing dashboards, waxing and polishing surfaces, touching up paint by hand, applying rustproofing treatments, etc.

Conditions of admission:

A person who meets the following conditions is eligible for admission to a program of study leading to an STC:

- 1** Has obtained at least Secondary III credits or the equivalent in the language of instruction, second language and mathematics;
- or** Has obtained an Attestation of Equivalence of Secondary Studies (AESS);
- or** Has successfully completed the General Development Test (GDT) with or without specific prerequisites.
- 2** Has interrupted their full-time studies for at least 12 months;
- or** Is 18 years old when entering training;
- or** Has obtained a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS) or their equivalent;
- or** Meets the eligibility conditions of Emploi-Québec's workforce training measure.

This program is accessible via the [TCST-STC bridge](#).

PROGRAM OF STUDY CONTENT

AEP Code	Statement of the Competency	Hours
AEP 708-011	Determine their suitability for the occupation and the training process	15
AEP 708-023	Apply concepts related to general shop work	45
AEP 708-032	Become familiar with the quality-focused approach and modes of work organization	30
AEP 708-047	Clean the interior, exterior and engine bay of a vehicle	105
AEP 708-052	Maintain hinges, locks, rubber seals, mouldings and decorative trim	30
AEP 708-062	Apply rust protection	30
AEP 708-077	Restore painted surfaces	105
AEP 708-082	Touch up paint	30
AEP 708-092	Repair vehicle upholstery	30
AEP 708-102	Install accessories	30
AEP 708-112	Measure and control work quality	30
AEP 708-122	Look for a practicum or job	30
AEP 708-134	Integrate into the workplace	60

Harmonization work conducted for the *Automotive Detailing* program of study has not led, at this time, to the identification of common competencies with other programs of study.
